

PLEASE NOTE THE FOLLOWING ON THIS DRAFT EMERGENCY NOTICE PACKAGE:

-- This package is DRAFT ONLY. OREA cannot accept AMC or Controlling Person Applications at this time, as the Office of Administrative Law (OAL) has not approved the Emergency Regulations, including the Application Forms. Any Applications sent prior to the effective date of the Emergency Regulations will be returned.

- At this time, OREA and OAL are only accepting comments on the draft emergency regulations. Any other submittals will be returned.

- A Certificate of Registration is NOT REQUIRED at this time in order to operate as an AMC in California. The emergency regulations, once finalized, will provide a deadline by which an approved Certificate of Registration will be required. OREA has proposed a deadline of 170 days after the effective date of the emergency regulations (see proposed emergency regulations California Code of Regulations, Title 10, section 3528.)

-- The \$1,600 fee proposed in OREA's draft emergency regulations will not be due until the emergency regulations are finalized AND OREA has approved both the AMC Application and the related Controlling Person Application(s) for a particular Applicant. Do not send the \$1,600 payment with the initial Application.

-- OREA staff cannot advise potential applicants whether or not a Certificate of Registration is required for any particular operation.

PLEASE CONTINUE TO CHECK OUR WEBSITE OR THE OAL WEBSITE (http://www.oal.ca.gov/Emergency_Regulations_Under_Review.htm) FOR UPDATES ON THE EMERGENCY REGULATION PROCESS.
